

## PRODUCT DESCRIPTION

The DDA Stairmaster nosing has been specifically designed to comply with both the Disability and Discrimination Act (Now included in the Equality Act 2010) and the Part M of the building regulations by featuring a 55mm high visibility strip on the top and front of the nosing, aiding the visually impaired.

Manufactured from a combination of high quality, 6060T6 extruded aluminium and a GRiP (Glass reinforced polyester) insert, the DDA Stairmaster nosing boasts a superior resistance to adverse weather conditions with a service life of 20 years. The 5mm thick spine has been designed so that it can be integrated with our anti-slip surfacing system Permagrip PU or our GRiP Anti Slip Panels.

## TECHNICAL DATA

Aluminium Grade:	6065T6
Extruded to:	BS1474
Service Life:	20 Years
Sizes Available:	Nosings are sold by the linear metre. Minimum: 500mm Maximum: 7000mm
Colours Available:	Any RAL / BS4800 Colour Reference
Installation Service:	Yes (Supply only option also available)
